A Halloween-themed flyer for a car show. It features a white ghost with a surprised expression and a black bat flying nearby. The text is in various fonts and colors, including red and white on a black background. There are decorative elements like spider webs and a spider.

From Our President...Bill Stockton

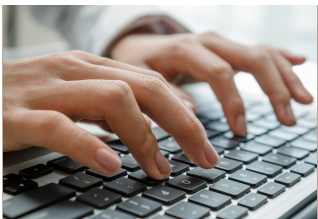

Wow, summer is here in a big way. The dog days of summer is making its presence known. I just went through *Ragtops and Running Boards* and there isn't much happening right now in the way of local car shows. So, maybe this is the time to look over your cars and fix or upgrade those things you have been putting off for a later date. With nothing on the horizon you don't need to rush, just do it at your leisure.

I have a short list of things that I want to do to the '55, it seems old cars are like old houses there is always something that needs attention.

We haven't had a meeting since May so I am looking forward to seeing all of you.

Stay safe,
Bill

Secretary's

Corner...

As your new board secretary, I had the pleasure of reading over the minutes for the last fifteen years! What a story they tell about the history of the club. Following the one and only club secretary after so long was a little daunting and I accepted the job anticipating having pretty big shoes to fill. I wasn't wrong.

Sandy Ostrowski has been our club secretary since the very first day back in August of 2008 when the club was formed. I had so much fun reading over not only the minutes, but the newsletters as well!

The next time you see Sandy ... fist bump her, pat her on the back, tell her 'job well done', or just thank her and I'll do my best to try and fill her shoes!

Elizabeth

Let's step back in time to August 2008

This is the very first minutes taken by Sandy Ostrowski when New South Cruisers began 15 years ago!

Steve talked about the need for the club to get insurance to cover club events--shows, cruise-ins, meetings, etc. Joe Feltman will look into the insurance. John Ostrowski mentioned that Auto Owners was good and Joe will check on that.

Club dues were set at \$20/year. Dave said that he and Steve were going to pay \$40 to get the club started and asked any others who were able or wanted to to do the same.

Steve talked about some items that the club would need, and asked members to see if they had any of these that they could donate to the club. These included two or three carrying boxes, temporary stick-on name tags, cones, and a PA System. (Steve and Dave will split the cost of a PA System and donate it to the club.)

Steve said that he would check with some trophy shops to see if they had extras they could donate for the cruise-ins. Sandy said that she got a framed certificate at one event for "Ride of the Month." All thought this was a good idea. Dave and Mary will see about designing one on the computer.

A cruise-in has been planned for the fifth Saturday this month, August 30, at McAlister's Deli on the Circle next to Po-Folks. The first Saturday was suggested after that as having the least impact in the area. Friday nights was a suggestion, but some had work conflicts, and many mentioned the conflict with high school football. We will hold the August 30th cruise-in and then discuss it again at the next

meeting.

Gabe Adams will check on locations for the meetings. The members will be notified of a location before the next meeting. The club will meet on the second Tuesday of each month.

Club officers were elected:

President-Steve Reed

Internal Vice-President-Preston Payne

External Vice-President-Dave Plunkett

Secretary-Sandy Ostrowski

Treasurer-Joe Rogers

Board Member at Large-Joe Feltman

Board Member at Large-John Ostrowski

Steve appointed Mary Hall Plunkett as Publications Chairman. He will also appoint a Membership Chairman.

Being a new club, we need operating funds. A yard sale was suggested (for the fall when the weather is not so hot). Three locations were suggested. We will discuss this further at future meetings. Members are encouraged to put items aside for this and to ask friends and family for donated items. If anyone has additional suggestions for fund-raisers, they should jot them down and bring them to the next meeting.

Joe Rogers told members about Gerald Vinson's show and handed out some flyers.

The meeting was adjourned.

Respectfully submitted,
Sandy Ostrowski, Secretary
