BREAKING NEWS

At our recent member meeting, Linda Bates shared the news that the *Wiregrass Antique and Classic Car Club* of Dothan, Alabama, in a regularly scheduled meeting on January 4, 2024, voted unanimously to dissolve the club. In doing so they disbursed the remaining funds to three different charities the club had supported in the past in memory of her late husband Wayne, and two other members.

The Wiregrass Antique and Classic Car Club has been in existence since before 1995 and was very active in holding an annual car show at Landmark Park, cruise-ins at Sonic Drive-In restaurant, and participation in fundraisers for the Animal Rescue and VFW Post in Dothan as well as other Dothan and surrounding area car clubs shows.

Six of the active members became members of New South Cruisers and we welcome them to our club!

A Certificate of Appreciation was given to Linda in memory of her late husband, Wayne Bates, for his service to the Bay British Car Club and the community. A Memorial Scholarship has been established at Tom P. Faney Automotive Program in Wayne's honor.

Hey everyone,

The holidays are over and it's time to focus on your ride again. I need to get out in the garage and finish some projects that I've started on the old girl so it's ready for the coming car shows and cruise-ins.

Speaking of car shows we have run into a hiccup this year for the Taylor Show. The TaylorMade Festival is scheduled for March 23. The problem is the Ashford Show is scheduled for the same day. Rather than compete with that show in Ashford we are going to have a Club Cruise-In at Taylor. No trophies, no judging, no fees, just a social event to bring your car(s) and display them at the festival and get to know fellow club members better. It's scheduled for 10:00 am to 1:00 pm. We will cruise somewhere afterwards to have a late lunch for anyone interested.

I encourage all of you to attend, if at all possible. We have added several new members last year and this will be a good chance to get to know them better and check out their cars, as well as visit with old friends.

We will have more details at the February meeting. If you have any ideas as to activities or where to eat afterward let me or any of the board members know and we will consider it at the meeting in February. I hope to see you soon.

Stay safe.
Bill

From Our Archives

2.13.2016 *World of Wheels* So long ago, it was a very, very cold day! (I had to wear my snow boots). We rented a Mercedes van and traveled together, making it a very memorable experience with our car club friends.
