Hello!
2024!

From Your President ...2023 Recap

Like the news media, I think we need a quick recap of 2023.

First the sad news, we lost three members, two of the three were charter members, John Ostrowski and Joe Earl Rogers. The third was my best friend, Pam.

On a brighter note the club welcomed eight new families into the club. I'm looking forward to getting to know them all better.

We successfully put on three car shows, which is two more than I had anticipated at the beginning of the year. Thanks to all who contributed to make this happen.

We made contributions to several local charities: The Taylor Senior Center (\$262), Wallace Community College (\$1,838), Dothan High School Choir (\$1,188), and Santa For Seniors (\$600). Total \$3,888.00. Well done.

Probably the biggest highlight for me was collecting a trophy for club participation at the Enterprise car show last spring. Also worthy of note is the turnout we had at the Graceville car show.

I'm looking forward to 2024 and whatever it brings us.

Stay safe,
Bill

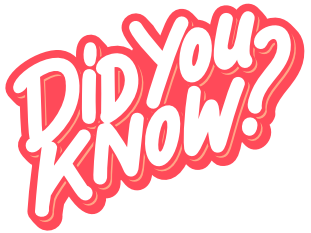

Our Christmas party was well attended this year and the food was great! Our Golden Corral waitress was 'on it' the whole time and kept everyone happy (and took the picture!). We swapped ornaments and those who participated took home a new treasure for their tree. Bill asked everyone to bring a donation for the Santa for Seniors program and we were tickled to raise \$600!

Car Shows and Cruise-Ins Coming Up

Planning to save more money is #1 on the minds of many Americans making resolutions for 2024. Where in previous years the vows to exercise more, eat healthier, and lose weight had come in top positions, now the financial goal has leapfrogged them to become the most commonly cited resolution this year.

Members On the Road Again

Crenshaw Kool Ridz in Luverne - 12.9.2023

The weather was frightful on the way to the show and it ended early as a new line of storms was rolling in. But those die-hards who chanced it... Bill Stockton, Tom and Elizabeth Wyse, and Steve and Sandie Lowery ... had fun!

We captured a couple of pictures of participants enjoying the show!
